Splošni opis:

Plug RJ12 with 6 contacts for round cables, 9.65mm width. The plug can be covered with a black or white protective sleeve (ref. 051706 or 051707). To ensure a perfect connection, use the RJ crimping tool (ref. 051709).

Značilnosti izdelka:

- 6 contacts
- Maximum diameter cable 4.57mm
- 1.2 µm gold - plated contact
- Transparent polycarbonate body

Priporočila / omejitve

- To connect the cable, we recommend to use the RJ crimping tool (ref. 051709). Inserting an uncrimped plug in an RJ socket risks damaging both the plug and socket contacts.
