This drawer is equipped with 24 multimode LC duplex fibre optic terminations. Easy to install and scalable.

> [The product details page](#)

Splošni opis:

This drawer is equipped with 24 multimode LC duplex fibre optic terminations. Easy to install and scalable.

Značilnosti izdelka:

- 20° tilting for good internal view and access. End of travel stop.
- Supplied with 2 coiling kits, 2 cable glands and numbered labels
- Receive stackable pigtail cassette accessory up to 24 fibres.
- With 19 inch quick fixing solution for automatic mounting (no screws required)

Priporočila / omejitve

- To limit mechanical constraints on cables at drawer back, we recommend to use minimum 600mm depth cabinets. If less, you can use fibre panel ref. 032140.

Prednosti montaže:

- This drawer is equipped with 19 inch quick fixing solution for automatic mounting (no screws required) and grounding. It offers 8 cable inputs, with dedicated space for direct clipping of fan-out if you choose preterminated trunks.

Prednosti uporabe:

- This drawer offers scalability : easy move, add and change of blocks as you need.

Edinstvene značilnosti:

- Scalable : Easy move, add and change of blocks as you need
- With 19 inch quick fixing solution for automatic mounting (no screws required) and automatic grounding on 19" upright with conductive surface
