VIKING 3 LEGRAND

Connecting terminal block, screw connection, 1 connection 1entry/1outlet Cross-section 4mm² - pitch 6mm - blue

REF. 037101 | EAN KODA. 3245060371012

> [The product details page](#)

Značilnosti izdelka:

- Blue terminal blocks are recommended for neutral conductor or security circuits.
- 2 areas for automatic insertion bridging combs up to 8mm pitch (upper level only for multi-level terminal blocks)
- Easy insertion of conductors thanks to the ergonomic shape of the entry and outlet.

Priporočila / omejitve

- Installation recommended for electrical connection in industrial and tertiary cabinets and enclosures.

Prednosti montaže:

- A securing pin on the insulating body holds the Viking 3 terminal blocks together for ease of handling and perfect alignment on the rail. The assembly/disassembly of a terminal block is still possible without removing the adjacent terminal blocks

Prednosti uporabe:

- Terminal blocks have two marking zones per level allowing a clear, visible and convenient identification of the circuit. Compatible with CAB 3 marking systems.
