## VIKING 3 LEGRAND

Connecting terminal block, screw connection, 1 connection 1entry/1outlet Cross-section 2,5mm<sup>2</sup> - pitch 5mm - red

REF. 037130 | EAN KODA. 3245060371302

[> The product details page](#)

### Značilnosti izdelka:

- Red terminal blocks are recommended for special circuits (safety, protected, etc.).
- 2 areas for automatic insertion bridging combs up to 8mm pitch (upper level only for multi-level terminal blocks)
- Easy insertion of conductors thanks to the ergonomic shape of the entry and outlet.
- 
- 

### Priporočila / omejitve

- Installation recommended for electrical connection in industrial and tertiary cabinets and enclosures.

### Prednosti montaže:

- A securing pin on the insulating body holds the Viking 3 terminal blocks together for ease of handling and perfect alignment on the rail. The assembly/disassembly of a terminal block is still possible without removing the adjacent terminal blocks

### Prednosti uporabe:

- Terminal blocks have two marking zones per level allowing a clear, visible and convenient identification of the circuit. Compatible with CAB 3 marking systems.
